**A. Purpose**

The purpose of this policy is to establish guidelines for making the Bookstore available to the public.

**B. Policy**

The Springdale Public Library Bookstore is primarily a function of the Friends of the Library. The Bookstore will be open when members of the Friends group are available to provide staffing or when library staff can adequately oversee activities.

The Bookstore may offer for sale items donated by the public and items weeded from the library's collection. The Friends may also develop promotional products specifically for sale.

Revenue from sale of items in the Bookstore provides funding for Friends' support of the library.

**C. Applicability**

**D. Responsibility**

The Library Director provides daily oversight. The Friends of the Library and the Library Board establish priorities.
